

Second International Workshop on High-Performance Business Computing (and GOR B Conference)

To be held digital on June 25, 2021 @ Paderborn Center for Parallel Computing

jointly organized by

Call for Papers

The primary objective of this (digital) workshop is the presentation and discussion of the design, implementation, computational evaluation, and application of parallel algorithms in modern high-performance computing (HPC) environments for solving problems in business-oriented fields, including management science, operations research, data analytics, business administration and economics.

We invite submissions related to solving computationally intensive and business-oriented problems in a broad range of application fields, including (but not limited to) transportation, traffic, logistics, production, finance, marketing, energy, health and social networks.

Please, send all inquiries and submissions (title and abstract with a maximum length of 400 words) to hpbc2021@campus.uni-paderborn.de.

Timeline

Submission of abstracts	28 May, 2021
Notification of acceptance	04 June, 2021
Deadline for registration	18 June, 2021

Website

<https://pc2.uni-paderborn.de/de/research/events/hpbc2021/>

Venue

The workshop will be held digitally.

Further information

- Links to workshop sessions will be provided upon registration.
- No registration fees apply.

Organization

Prof. Dr. Guido Schryen	(Paderborn University)
Prof. Dr. Christian Pleschl	(Paderborn University)
Prof. Dr. Oliver Müller	(Paderborn University)
Prof. Dr. Natalia Kliewer	(Freie Universität Berlin)
Prof. Dr. Ralf Borndörfer	(Zuse Institute Berlin)
